

short-term missions

God designed each of us uniquely to bring honor to Him through service. When you look in the mirror, you most likely don't see the image of the Almighty looking back at you. Don't sell yourself short. Scripture tells us that God's image lives within each of us, and that the work of God's Spirit within believers is to reconstruct each of us so that His image shines through the human wrapping that we wear. During this life-long reconstruction project we should be seeing more and more of God shining through the cracks. We each have important roles to play in fulfilling the Great Commission—reconciling a lost world back to our loving Creator. Everyone is a missionary or a mission field, and there is a place for you in the missions movement at SOCC!

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.

Matthew 28:19 - 20 (NIV)
