

The Story

Revelation

Sherwood Oaks Christian Church

Week of May 17, 2009

Read chapter 32 of the “The Story.” Then discuss the following questions:

- 1. A “Revelation” is something that has been “revealed.” Have you ever had something revealed to you that not everyone else was privy to? A secret or surprise that you couldn’t share? Or perhaps important information given to you that WAS your job to share with others?**
- 2. What was John’s response when he saw Jesus in the vision? Why did he respond this way?**
- 3. What were the warnings Jesus gave to the churches? In what way do these warnings apply to your life?**
- 4. What do you learn about God from his actions and descriptions in this chapter?**
- 5. What does this chapter reveal about what heaven will be like?**
- 6. Why is it important to think about and set your hope on heaven?**
- 7. What steps can you take to set your hope more fully on what you know about eternity from this chapter?**

Alas, this is the end of this study of “The Story.”

We hope that it has helped make more sense of this gigantic book called The Bible. We look forward to doing more studies together or helping you do some studying individually.
